Students are eligible if they:

Attend CES  
Qualify for free/reduced lunch  
Did not demonstrate proficiency on standardized tests

Interested families should contact the Elementary School Office (795-4339) for an enrollment form and to choose a provider from the list above. Enrollment forms will be accepted until February 4 and tutoring will begin in March.

School choice is not an option, since CES is the only elementary school in the district. Neighboring districts are not currently accepting transfers for Title I school choice.
